Ev'ry time I'm tellin' secrets
I remember how it used to be
And I realize how much I miss you
And I realize how it feels to be free
Now I see I'm up to no good
And I wanna start again
Can't remember when I felt good
No I can't remember when
No, only in my dreams
As real as it may seem
It was only in my dreams
Couldn't see how much I missed you
Couldn't see how much it meant
Now I see my world come tumbling down
Now I see the road is bent
If I only once could hold you
And remember how it used to be

If only I could scold you
And forget how it feels to be free
No, only in my dreams
As real as it may seem
It was only in my dreams
No, no, no, no
Only in my dreams
As real as it may seem
It was only in my dreams
No, no, no, no
Only in my dreams
As real as it may seem
It was only in my dreams
