OVER THE WALL

performed by: Debbie Gibson

written by: Deborah Gibson

Verse 1:

We can play it safe

for awhile

if we can

But will that make me a better girl,

You a better man?

I trust myself

and that's all I can do

Don't you see the world is alive and

right in front of you...

Chorus:

Over the wall

there is a new world waiting

Over the wall

I want to find out something more

Over the wall

I cannot wait to find it

Over the wall is where I want to be

Come take my hand and

We can be free

Verse 2:

Fear of the unknown

is unhealthy to the soul

But it eats you up inside

if you don't have a higher goal

You see no light

on the dark side of the sun

What do you think about when

everyday is over and done?

CHORUS

Bridge:

And when the darkness comes

you'll still have a long road

in front of you

and when you cry out

all the world will be around (world will be around)

It won't be easy

but it will have greater rewards

Mountains and valleys
are better than nothing at all...
CHORUS x 2
Over the wall
there is a new world - oh...
Over the wall
I want to find out something more
Over the wall
I cannot wait to find it
Over the wall is where I want to be
Come take my hand
Don'tcha know it, we can be free
Over the wall
Oooo.. over the wall
Over the wall
I cannot wait to find it...
