Shake your love
I just cant shake your love
Shake your love
I just cant shake your love
Shake your love
I just cant shake
Shake your love
I just cant shake your love
I'm under a spell again
Boy, I'm wondering why
This is not a game of love
But an emotional tie
I'm trying to figure out my heart
But I cant offer you proof
Of why we should never be appart
And that is the, that is the truth
Oh, shake your love
I just cant shake your love
Shake your love
I just cant shake your love
Shake your love
I just cant shake you lvoe
Shake your love
I just cant shake your love
Do you know why I stop and stare
And smile when you walk by?
And how I call you up at night
I hang up the phone and I cry

If I never got to know you so well
Maybe I would be fine
Baby, you know that I cant tell
Why you should be, you should be mine
Shake your love
I just cant shake your love
Shake your love
I just cant shake your love
Shake your love
I just cant shake your love
Shake your love
I just cant shake your love
Oo, I know what you're thinking

I see it in your eyes
You want to give our love another try
I'm so glad you realized
I can't shake your love
I just cant shake your love
Shake your love
I just cant shake your love
Shake your love
I just cant shake your love
Shake your love
I just cant shake your love
