SHOULD'VE BEEN THE ONE

performed by: Debbie Gibson

written by: Deborah Gibson

..2, 3, 4!

Verse 1:

Well if I looked all over this world

I don't think I would find someone so true

Someone like you

oh and I know it may be too late

but ya know I cannot wait,

What should I do?

I still love you. Oh...

Repeat:

When the stakes all are high

and the odds are all against us

Why do I still keep loving you?

Chorus:

You know you should've been the one

Our love could've been something new

and now I don't know what to do

Oh, I'll never give up on your love

'cause you always will be the one

Who brightens everyday

even though you took my heart away

ya know it makes no difference to me

'cause you always will be the one

Verse 2:

Well, call me crazy or what you will

It doesn't change the way I'll always feel

'cause this is real

It's nothing you ever said

It's all those crazy dreams that are in your head

(that are in your head) in your head

Alright now...

Here we go...

REPEAT

CHORUS

You know, our love could've been something new

and now I don't know what to do

Because you always will be the one

Who brightens everyday

even though you took my heart away
ya know it makes no difference to me
You know our love could've been something new
and now I don't know what to do
Oh, I'll never give up on your love
'cause you always will be the one
Who brightens everyday
even though you took my heart away
ya know it makes no difference to me
'Cause you always will be the one!
