Stockholm Love

Baby you've got what you wanted, haven't you
Now they're mad at you, in a frenzy cause they envy
you,
So they send in all the small men who will call you
Underhanded, pullin band-aids staring down the bell of
a double standard
But I understand you like nobody, I'd do for you like
you'd do for me

I've got the time if you've got the patience
I've been, kidnapped, hi-jacked, venus flytrapped,
But please don't let me go,
I'm here, waiting, fading, no use negotiating,
Stockholm love!

They've got legions and legions of reasons and
reasons
To let me walk out that door, but I am your man for all
seasons
And the reasons are not my concern,
Either Orson pays the ransom, or I reveal the lies,
Could it be that I don't want to leave cause I can't, son
I've been hypnotized

I've got the time if you've got the patience
I've been, kidnapped, hi-jacked, venus flytrapped,
But please don't let me go,
I'm here, waiting, fading, no use negotiating,
Stockholm love!

I've got the time if you've got the patience
I've been, kidnapped, hi-jacked, venus flytrapped,
But please don't let me go,
I'm here, waiting, fading, no use negotiating,
Stockholm love!
I've been, kidnapped, hi-jacked, venus flytrapped,
But please don't let me go,
I'm here, waiting, fading, no use negotiating,
Stockholm love!

I've got the time,

I've got the time,
I've got the time,
I've got the time
