Sherry, Sherry baby  
Sherry, Sherry baby

Sheeeeery baby (Sherry baby)  
Sherry, can you come out tonight

Big girls don't cry  
Big girls don't cry

Big girls don't cry yi yi  
(They don't cry)  
Big girls don't cry  
(Who said they don't cry)

Walk like a man, talk like a man  
Walk like a man, my son  
No woman's worth  
Crawling on the earth  
So walk like a man, my son

Oh woo ooo ooo...  
(Walk walk walk walk)  
Oh woo ooo ooo...

I've got you under my skin  
I've got you deep in the heart of me

I'm working my way back to you, babe  
With a burning love inside  
I keep working my  
Way back to you, babe  
And the happiness that died  
I let it get away

Oh, I can see  
There ain't no room for me  
You're only holding out  
Your heart in sympathy

If there's another man

Then, girl, I understand  
Go on and take his hand  
And don't you worry 'bout me

Think what a big man he'll be  
Think of the places you'll see  
Now think what the future  
Would be with a poor boy like me, me

Dawn, go away, I'm no good for you

Let's hang on, hang on, hang on  
To what we got

Ahh, the joy and the tears  
Remember those golden years  
The joy and the tears  
Remember those golden years

Who loves you, pretty baby  
Who's gonna help you through the night  
Who loves you, pretty mama  
Who's always there to make it right
