Come closer,  
I don't really like the distance,  
Girl i beg you take 'em clothes off right this instant,  
When i get inside babe i can be quite convincing  
Ama beat it up right until my hoods tired and shrinking,  
This is my boat baby I'm the captain,  
Ama take it there to get your vagina splashing,  
Come and get me baby where's that fire passion,  
Trying to play it down but your slightly gassing,

Your eyes and all your diamonds matching,  
Looking good coz I'm getting that designer cash-in,  
I got that paper work yeah my files are faxing,  
So to drop a couple bags their was a myna fraction,  
Get your birth place wet when its time for action,  
I'm that birthday sex night time assassin,  
Your a slight distraction,  
The whole night am getting that,  
Hold tight reaction.
