Im getting paid im getting paper now
The only thing thats broke is coke when i break it down
Cos i started broke but im still out of order
Now im ordering coke like its water
Meaning i dont expect to pay, if i can i will get it in for
free
So fuck a handy down, put your hands stick em up
If i stick you up make sure hands stuck up

Or you'll get more than your grands took
We take lives to 4 5 make your glands cook
Look i wanna see more doe
Even though i wanna see a karma future
Still i do more moves than a karmasutra (jeeze)
Its like im tryna shoot at karma
I turn tha shit around and shoot tha shooter

Glock clutcher
Seen tha matic shit like blockbuster
Im tha glock busta
Holding up the game from tha top structure (UUMMM)
