Giggs verse-2

Bad day cought me with a bag full of grade
Anyone can tell you felt bad for me babes
Sat day I was like grab me a trey
And when we are chilling out I put badness away
(jhesse)
Why? coz ur my princess
If youheard I had a shootout

You were impressed
But chill out everything blessed
And she got my meal out and my ting pressed UMM
Imma invest in your love zone general intressed
I know I am always in debt for keeping me in check
You know everything best (jhesse)
No telling my luck
I aint giving a fuck
Your iced out with delicate touch (shhh)
And you keep my intelligence up
And god knows I aint giving you up

(Chorus)
