Even though the hood bumps
Me nothing aint changed
Still up in the hood hungry
Gotta maintain but I feel a bit jumpy
So I'm sitting here looking at my big pumps
I get love from the villains in blocks
When I do shows love from the women in flocks
So when walk in the park drops
You'da thought I'd be swimming in gwap
The industry better back down
They don't no shit bout my background
Think they can understand and chilling in the hood
And a nigger comes round ringing off a macroun
We living in a crap town
We no choice but the mission is to act now
So you think I give a shit about jazmin?
Silly little fat cow
UMMMMMMMMMMMMM
Went home and I sat down
Took my jacket off put my hat down
I'm all over the map now
So ray paul your lil mission just collaps now
Hahaha
Swaggers intact now
Video I had the wooleys in the background
UMMMM
A.j jeans talking the hardest tops and you got the
hoddeys and the hats now
The boggers looking blacked out
With the sn1 nigger on the back ouch
Spend with the sn1 chain
BLINGG
I just had to give a fat shout
UMMMM
Talking the hardest
That's the track now
Freestyle aint no book how does that sound ?
Jheeze
I just wanna thank all of the fans that support hollow
man and
Listen to his tracks now
Wow haha yeah

They forced me to do it
Haha get me I just wanna be left alone
Jazz nothing personal just buisness
Your black boolin me, I'm black boolin you
I see you saying what's good jazz get me
