Yeah, Hollow  
Boom productions

You worked hard when we needed to get through. to  
make sure we had meals and to get juice to buy us all  
the new clothes and the best shoes that you could  
afford even doe it would stress you.  
You took aloud of my cheek then beat me all over the  
weekend I didn't know couldn't see then you teatchin'  
me and my bro's how to be men.  
Even if you got paid in the worse way you made sure I  
had cake on my birthday. It wasn't even for your sake. I  
bet you never got to sleep at your work rate.  
Dropped me to my first rave told me it wornt safe with a  
hurt face so I came in early it was Thursday you know  
mum always think of the worse case.

I try my best to help out mum you raised me I know  
your feeling stress out and I blame me  
I could be good but it ain't me  
I think the hood kinda changed me

I try my best to help out mum you raised me I know  
your feeling stress out and I blame me  
I could be good but it ain't me  
I think the hood kinda changed me

You got pissed at me bunnin weed  
Then I started gettin' nicked every other week  
I got kicked out sent to live with my dad but the pr\*\*k  
never wanted me.  
Started rollin' with shit you didn't wanna see. try to  
show me the way I didn't wanna see.

I made your life hectic and for all the dumb shit that  
did I wanna give an apology.(Sorry)  
I just fort arrgh shit it don' bother me but I forgot about  
you and that's wrong of me  
Went down a bad path but you followed me  
That's why I stick my hand out if you can't cope  
That's why I give you grands now if your half broke  
Forgive me I've been an asshole.

I wanna give you everything that you ask for.

I try my best to help out mum you raised me I know  
your feeling stress out and I blame me  
I could be good but it ain't me  
I think the hood kinda changed me

I try my best to help out mum you raised me I know  
your feeling stress out and I blame me  
I could be good but it ain't me  
I think the hood kinda' changed me
