I'll never do it cause you treat me wrong  
You'll never do it, come and sing my song  
I'll never do it cause you treat me wrong  
You'll never do it, ...sing...song

I'll never do it cause you treat me wrong  
You'll never do it, come and sing my song  
I'll never do it cause you treat me wrong  
You'll never do it, come and sing my song  
I'll never do it cause you treat me wrong  
You'll never do it, come and sing my song  
I'll never do it cause you treat me wrong  
You'll never do it, come and sing my song  
I'll never do it cause you treat me wrong  
You'll never do it, come and sing my song  
I'll never do it cause you treat me wrong  
You'll never do it, come and sing my song  
I'll never do it cause you treat me wrong  
You'll never do it, come and sing my song  
When I look into your eyes,  
I feel my soul that flies,  
Around the world (in the sky)  
Now you are in my dreams at night,  
And I feel it's paradise,  
Inside my world  
When I look into your eyes,  
I feel my heart that shines,  
And light my sky  
Let me stay with you all night,  
I feel it's paradise  
It shines my life.  
Can't you see that, I wanna touch your body,  
Can't you see that, I'd fly with you,  
I'd die for you  
Livin' in, another way, oh oh oh,  
To live it up just another day  
Livin' in, another way  
Don't stop, don't stop, don't stop, move it  
now

Livin' in , another way,  
To live it up every single day  
Living in, another way  
Don't stop, don't stop, don't stop, move it  
now  
Another way;  
You'll never do it,  
Come and sing my song;  
I'll never do it cause you treat me wrong  
You'll never do it, come and sing my song  
I'll never do it cause you treat me wrong  
You'll never do it, come and sing;  
I'll never do it cause you treat me wrong  
You'll never do it, come and sing my song  
I'll never do it cause you treat me wrong  
You'll never do it, come and sing my song  
I'll never do it cause you treat me wrong  
You'll never do it, come and sing my song  
I'll never do it cause you treat me wrong  
You'll never do it;  
Can't you see that, I wanna touch your body,  
Can't you see that, I'd fly with you,  
I'd die for you  
Living in, another way,  
To live it up just another day  
Living in, another way  
Don't stop, don't stop, don't stop, move it  
now  
Living in , another way,  
To live it up every single day  
Living in, another way  
Don't stop, don't stop, don't stop, move it  
now
