You let me down so many times  
that I forgot the very first  
it's time to stop this useless relation  
it's not good for both of us  
I guess if you keep lovin' me  
or do you love to see me cry?  
I can't afford this bad situation  
your behaviour has to stop

I DON'T WANT TO SEE YOU AGAIN  
I WON'T BE THE ONE YOU CAN BLAME

I DON'T WANT TO SEE YOU AGAIN  
I WON'T BE THE ONE YOU CAN BLAME

And I remember your lot smiles  
And I remember your first lie  
it's time to stop this useless relation  
there's no reason to go on...  
I hate to waste my precious time  
there is no way to change my mind  
you let me down with careless emotions  
your behaviour has to stop

...I DON'T WANT TO SEE YOU AGAIN...  
...I WON'T BE THE ONE YOU CAN BLAME...

...I DON'T WANT TO SEE YOU AGAIN...  
...I WON'T BE THE ONE YOU CAN BLAME...

...I... ...DON'T WANT TO SEE...  
...WON'T BE THE ONE...  
...DON'T WANT TO SEE... ...AGAIN...

...I DON'T WANT TO SEE YOU AGAIN...  
...AGAIN...
