Drum, base,
this is the way
I hold my back

Drum, base,
this is the way
I hold my back

I hold my drum, base,
this is the way
I hold my back

Drum, base,
this is the way
I hold my back

I hold my back base,
this is the way
I hold my back

Drum base,
this is the way
I hold my back

I hold my back base,
this is the way
I hold my back

Drum base,
this is the way
I hold my back
I hold my back
