good night baby good night
when tomorrow comes
I'm reborn,
looking in your eyes,
baby good night,
sleeping tight, alone
you'll wake up feeling warm

good night baby good night
when tomorrow comes
I'm reborn,
looking in your eyes,
baby good night,
sleeping tight, alone
you'll wake up feeling warm
feeling warm,
feeling warm,
huuuuuuuuu

you spend the days like we are in a fairytale,
there is no price for running loves beginning,
I smell the air, like it's the first time that we breath,
it is so nice to watch the sun shining.
I take you home,
I kiss your eyes,
before you fall asleep.
I hold your hand,
you understand,
my world is all you need.

good night baby good night
when tomorrow comes
I'm reborn,
looking in your eyes,
baby good night,
sleeping tight, alone
you'll wake up feeling warm

good night baby good night
when tomorrow comes
I'm reborn,

looking in your eyes,
baby good night,
sleeping tight, alone
you'll wake up feeling warm
feeling warm,
feeling warm,
huuuuuuuuu
