Don't know why i'm scared of all
Things i feel when i'm alone
I wonder why i wanna hide my fears

But now i'm gonna play and act
With my soul and with my heart
Starting today throw fears away
Till i feel alive again

I've been wasting time i should have
Spent loving today
I've been losing chances i could have
Used to learn the way

To live a dream
The sky in it's eternity
The waves of the ocean
Are rolling the emotion
Sailing through my mind
Like wings that wave good bye ... good bye
To live a dream
The sky in it's eternity
The waves of the ocean
Are rolling the emotion
Sailing through my mind
Like wings that wave good bye ... good bye
