Where I was all alone walking on the street
My carillon and me
Were two inseparable stranger melodies

Nobody was around
The silence and the gloom were so profound

But you were the only one I was looking for

I've never had a dream
Where I was singing that stranger melody
My carillon and me
Were dancing on the world 'till eternity, yeah

My carillon and me
Were dancing on the world for eternity

Now that I am awake
I still feeling the call that I won't forsake, no
It's an illusive love
That you contain into strange seven notes

Yeah... world 'till eternity
Yeah...

Last night...
