Try to smile  
tonight i think you slow  
please don't cry  
tonight i think you slow  
always in my mind i think of you  
i put you in the music  
slowly in the sound i see your eyes  
i see your face forever

try to smile  
tonight i think you slow  
please don't cry  
tonight i think you slow  
always in my mind i think of you  
i put you in my music  
slowly in the sound i see your eyes  
i see your face forever

when i dream of you  
i close my eyes  
i see you into my face  
when i hold my hand to touch your soul  
you are invisible

try to smile  
tonight i think you slow  
please don't cry  
tonight i think you slow  
always in my mind i think of you  
i put you in the music  
slowly in the sound i see your eyes  
i see your face forever

try to smile  
tonight i think you slow  
please don't cry  
tonight i think you slow  
always in my mind i think of you  
i put you in my music  
slowly in the sound i see your eyes  
i see your face forever

when i dream of you  
i close my eyes  
i see you into my face  
when i hold my hand to touch your soul  
you are invisible
