I wanna live
By your side
Wanna be with you
All day... And night
'Cos i need to hold you

I wanna be
In your eyes
All i dream is
You and i
Always together

I wanna be
In your eyes
'Cos i need to hold you
'Cos i need to hold you
...in your eyes

I wanna live
By your side
Wanna be with you
All day... And night
'Cos i need to hold you

I wanna be
In your eyes
All i dream is
You and i
Always together
