I'm falling in like a go go
need your love
to feed my baby soul
i'm dreaming in like a go go
what is love
to teach my baby soul

And I try
for my
whole life
to grow my baby soul
to grow my baby soul

I'm falling in like a go go
need your love
to feed my baby soul

I'm dreaming in like a go go
what is love
to teach my baby soul

And I try
for my
whole life
to grow my baby soul
to grow my baby soul
