"These Roses"

I'll sing you a sweet song if you say to
I'll write you the saddest of all words, rhymes, and
phrases
I will be your everything, and I'll try to give you anything
back

But I cannot give you my love
No, I cannot give you my love

When I got fight in these roses, I still can't be scared
I got stones in my pockets, I still can be shared
I got you in my heart, to make this all harder
I will stay addicted to you.
I will stay addicted to you.

Take me down to the garden, let me lay with you
Hold my hand, don't let go
If you feel like kissing me do

Now there's butterflies in me, baby
And I just don't know what to do
You could stand up straight
You could be the best of my dates, but I still would not
see you

for I cannot give you my love
No, I cannot give you my love

When I only got fight in these roses, I still can't be
scared
I got stones in my pockets, I still can be shared
I got you in my heart, to make this all harder
I will stay addicted to you
I will stay addicted

I'm a stone's throw from heartache
Hear me tumbling, crumbling down
Is it too late to lose faith
In everything working out right

We can say forget or forgive

But I cannot do that to love

When I got fight in these roses, I still can't be scared
I got stones in my pockets, I still can be shared
I got you in my heart, to make this all harder
I will stay addicted to you
I will stay addicted to you
