Oh Angelina
You are the sun and the moon
Every song I ever sang
I stole it from you

I knew that nothing could tear us apart
I never even gave it a second thought
I was so sure and I was wrong
Now every single thing I ever had is gone

Nothing here is set in stone
Nothing's ever set in stone
Everything I have some day
Will fall apart and fade away

Oh Angelina
I learned my lesson this time
I took you for granted for so long
And now I just wanna die

Every thing I ever got
I never even gave it a second thought
I was so sure, I was so sure
Now there's only one thing I know for sure

Nothing here is set in stone
Nothing's ever set in stone
Everything I have some day
Will fall apart and fade away

Nothing here is set in stone
Nothing's ever set in stone
Everything I have some day
Will fall apart and fade away

Nothing here is set in stone
Nothing's ever set in stone
Everything I have some day
Will fall apart and fade away

Nothing here is ever set in stone
