The faces all around me, they don't smile, they just  
crack  
Waiting for our ship to come but our ship's not coming  
back  
We do have time like pennies in a jar  
What are we saving for? What are we saving for?

There's a smell of stale feeling that's drinking from our  
skins  
The drinking never stops because the drinks absolve  
our sins  
We sit and throw our roots into the floor  
What are we waiting for? What are we waiting for?

So give me something to believe  
'Cause I am living just to breathe  
And I need something more to keep on breathing for  
So give me something to believe

Some thing's always coming, you can hear it in the  
ground  
It swells into the air with the rising, rising sound

And never comes but shakes the boards and rattles all  
the doors  
What are we waiting for? What are we waiting for?

So give me something to believe  
'Cause I am living just to breathe  
And I need something more to keep on breathing for  
So give me something to believe

I am hiding from some beast but the beast was always  
here  
Watching without eyes because the beast is just my  
fear  
That I am just nothing, now it's just what I've become  
What am I waiting for? It's already done

So give me something to believe  
'Cause I am living just to breathe  
And I need something more to keep on breathing for

So give me something to believe

And I need something more to keep on breathing for  
So give me something to believe
