I just hung up the phone
I was talking to you
We said good bye
I sat down and cry
Coz' I remembered the things
That we've done
When we were sitting together
And our love has begun

For more and more
I want to go back in time
I'll always love you
I hope you know
But on and on
I need to wait

Chorus:
7 1/2 years that was our pact
7 1/2 years there is no turning back
7 1/2 years till I get to see you again

I am looking at the pictures

Of me and you
Both of us were smiling
For this damn photo-shoot
That was the day when it all began
But all I want to now
Is to see you again

For more and more
I want to go back in time
I'll always love you
I hope you know
But on and on
I need to wait

Chorus (repeat)
