Cold nights in my empty place
I feel down, I feel down, I feel down
There's a girl who thought she knew my face
She put me down, put me down, put me down
Though I'm not gonna change for you everyday
I know my name, know my numbers,
Know I'm much too late,
I'm no superman, superface, superstar
But I'm not going on without you
[chorus]
Charline is on my mind,
Look at me, oh can't you see I'm blind,
Your time for a little love,
is gonna make me see again,
Yeah, yeah, yeah, yeah, yeah, yeah
When I woke up that day,
I had luck, I had luck, I had luck,
Charline came down my way,
With her eyes, with her smile, just for a walk,

And she said, don't you like to be a simple man,
With a feel for simple things and daily life,
And I said: "Sure I will, oh girl, I like you so,
This is all I want, that I feel."
[chorus]
Then I made a great invention,
I got rich I got proud,
For a few disgusting moments,
I was wrong, I was bad, I've been outside
Oh Charline why don't you hear me
Can't you see, I'm still the same
I feel cold, I feel lonely
And I'm not going on without you
[chorus]
