Come on, come on
Come on, come on
Come on and dance with me through the fire,
Come on and dream with me through the years,
I'll show you love and what it's all about
Ane that's all whoa oh, whoa oh 'n' that's all.
I don't know what to do, I need you here now
I'm so in love with you, I hope you'll be mine
So let me hold your hand and fly away
And that's all whoa oh, whoa oh 'n' that's all.

Chorus

Come on, come on don't hide your heart,
Come on, come on just hold me tight,
Come on, come on
You know that our love is forever,
Come on, come on don't hide your heart,
Come on, come on just hold me tight,

Come on, come on
You know that our love is forever.

We know we'll take a chance, a chance of lifetime,
I liked to find a way to hold you so near
The time is right and we need some action
That's all whoa oh, whoa oh, that's all.

Chorus

I will take you around the world
To show you so many ways to be free
Let's join the ride around the world
Or a million ways to be free

Chorus
