Rich boy on e beat

Ebube-eh... Ebu... Ebube-eh

Chorus::

El shaddai

You're bigger than what the people say

God, no be lie

Yeah

Jehovah Jireh

All around the world I've found no one like You

Yeah

My lord of Genesis to revelation

My El-shaddai

You're my elevation

You never lie

The ancient of days

Been waiting on me

You've been patient for days

And now your Glory traced me

My Lord You raised me

The devil tried hard

But still he can't disgrace me

I run to You Lord

Yet You never chased me

The love of my life, Yeah you still embrace me

The love You've got for me is so priceless

Your Highness, you're the dopest

You know best

Onyenku, Ogbunigwe

Hands in the air, to the air I breathe

Worship at your feet, no Accapella

Worship on the beat

So You can feel me better

Huh! I wanna tell em that you died on the cross

You're the boss, BRT no near You

Chorus::

So glad I found You  
You gave my life a new meaning  
And I'm loving this feeling  
I don't wanna let go, no  
Tonite I'm gon praise  
I'm not going without You  
I'm lost in your presence  
I'm grateful to You oh Lord  
Let it rain, let it rain  
I can feel Your rain falling on me  
Oh Lord You reign, oh Lord You reign in my life

Chorus::

Let it rain, let it rain I can feel your rain falling on me
