I don't wanna be with you  
Can't be without you  
It's a crazy feeling  
That I don't understand  
Sometimes I do things  
Without a reason  
I'm about to lose my patience, baby

[chorus]  
I can't stop this emotion  
That's I'm feeling  
I don't know why  
I just can't stop this confusion  
Please believe me  
I do anything to make it right

Right now I'm screaming  
When I should be quiet  
Why can't I listen to what you have to say

Are you sure you want me  
Like you used to say, girl  
Then I will try to change my way and stay, baby

[chorus]

And I ask myself again and again  
If I wanna be yours forever  
I will try and try  
To love you right  
If you want me  
Do you want me

[instrument]

[chorus] x 2
