Chorus

Have to say goodbye
Please don't ask me why
When the love is gone
Two hearts are broken
I cannot help it my love still alive

When the time has come
You got to be strong
And you got to live on
See the distant light
It's shining so bright
It'll will show you the way
'cause the world is for you I feel
You can make it I know you will

Chorus

When the day goes by and the nights closin' in
I can get no sleep
I walk alone through the streets
Though I'm back on my feet
Girl it's breaking my heart
But there will be a chance for me
I'll make it now 'cause I'm free
