Staring at the ceiling, awake in the night
I'm wondering what you're dreaming
As you're sleeping beside
Would you share my feelings be there till the end
Daylight breaks the silence
While I'm reaching for your hand

You're looking for something (vive la vida)
You're looking for something
Deep in your heart Deep in your soul

OhÂ... Vive la vida Anna-Carina
OhÂ... Take your chance and never give up
OhÂ... Live your dreams, live your
Live your dreams, live your
Take a chance live your dreams

So many wishes the Genie is in you
Open up your eyes and make them come true
You'd better keep on moving, baby let it out
My heart keeps on crying
For me there is no doubt

You're looking for something (vive la vida)
You're looking for something
Deep in your heart Deep in your soul

OhÂ... Vive la vida Anna-Carina
OhÂ... Take your chance and never give up
OhÂ... Live your dreams, live your
Live your dreams, live your
Take a chance live your dreams
