A candle is burning in my room  
All this sadness starts to bloom  
I close my eyes like all the time  
Still all these lies on my mind

You never know what you've got till the day it's gone  
But now I know, I can be someone

Chorus:  
Coz' I have learnt  
I was taught how to live and carry on  
Now I'm strong, I'm coming home  
Coz' till that day I was on my own

Close your eyes and drink the wine

Remember us back in time  
We thought it's good to be nonchalant  
But all these things didn't mean a lot

You never know what you've got till the day is gone  
But now I know, I can be someone

Chorus (repeat)
