Is it my eyes  
Is it the way you make me feel  
Is it how I caress your skin  
I wanna know  
Cause I'm feeling lost inside  
Is there a way to let me in?

Now I know that you can make it  
There's no way you can fake it

I wanna know  
Just what you see in me

[chorus]  
Say what you want  
Say what you like  
Say what you see behind my eyes  
I wanna know  
Cause I know what I see in you

For me it's your eyes  
For me it's the way you make me smile

It's the way you caress my skin  
Now I know that you can make it  
And there's no way you can fake it

I wanna know  
Just what you see in me

[chorus] x 2

The way you walk  
The way you talk  
The way you look my way  
All I want from you is that you stay

[chorus] x 2

Say what you like  
Say what you see behind my eyes
