I can see it in your eyes
And it makes realize
That I love you
I can see it in your eyes
It makes me realize
That I love you, I really love you
I can see it in your eyes
Girl it's no surprise
That I love you, I really love you
Don't you know, the truth is in your heart
There's no reason to run and hide
We held hands through an endless night

You took me on a 3-D flight
[chorus]
I'm feelin' free, you mean so much to me
Where you are, s' where I wanna be
So let our dreams, fly away from now
Come with me I'll show you how
[chorus]
