I can see it in your eyes
And it makes me realize
That I love you

I can see it in your eyes
It makes me realize
That I love you, I really love you
I can see it in your eyes
Girl it's no surprise
That I love you, I really love you

Don't you know the truth is in your heart
There's no reason to run and hide
We held hands through an endless night
You took me on a 3-D flight

I can see it in your eyes?

I'm feeling free
You mean so much to me
Where you are is where I wanna be
So let our dreams fly away from now
Come with me, I'll show you how

I can see it in your eyes?

I can see it in your eyes
It makes me realize
That I love you
Lalala...

I can see it in your eyes?
