[chorus]

You're the only one for me  
Always in my fantasy  
You're the only one for me  
Always in my dreams

Can't believe we're together  
Take a chance and just be free  
Our love should last forever  
Hold my hand and follow me

It feels like seventh heaven  
Making love with you  
We will set the world in motion  
Baby that's what love can do

[chorus] x 2

Close your eyes and hold me tighter  
Real love is what you'll see  
You and me, we're getting closer  
We should live in harmony

It feels like seventh heaven  
Making love with you

We will set the world in motion  
Baby that's what love can do

[chorus] x 2

It feels like seventh heaven  
Making love with you  
We will set the world in motion  
Baby that's what love can do

[chorus] x 2

It feels like seventh heaven  
Making love with you  
We will set the world in motion  
Baby that's what love can do

You're the only one for me  
You're the only one for me  
Baby can't you see

[chorus] x 2
