I'm trying to hide from a fight  
while you turn out the light  
lets take a ride to your mind  
like last saturday night

I will tell you no lies  
you should look in my eyes  
lets take a ride to my mind  
like every saturday night

(Chorus)

Walking down the line  
searching for something  
waiting for the sign  
paradise calling  
don't ask me to stay  
let's go away  
I will take you on a ride

I don't want you to cry  
can't you see how we try  
lets take a ride to your mind  
like last saturday night

(repeat chorus)

I will take you on a ride

(repeat chorus)

you've got to stop the games you play  
before i give my heart away  
cause only you can make me stay

woah oh  
Walking down the line  
waiting for a sign  
don't ask me to stay  
lets go away  
I will take you on a ride

(repeat chorus)
