I can C U right beside me
Everytime I close my eyes
And I swear you're looking perfect
In the moonlight of my mind
But am I only dreaming
Tell me
Or could this B 4 real
Tell me
Now

We're close
Close 2 Perfect
That's what we are (That's what you say)
In my dreams

We're close

Close 2 Perfect
That's how it seems
In my dreams

It's hard 4 me
2 say I love U
Simple words are always tough

So hard 2 say
2 many nightmares
I'd give you shelter with my love
Am I only dreaming
Tell me
Or would you go my way
Tell me
Now
