Remember lyin' side by side all through a summer
night

Time goes by - oh how it flies

The memories of crazy nights, are they just a dream ?

Did the feeling grow - feelin' high and low ?

You didn't want to change, you're poisoned by a fairy
tale

Stolen from your sleep, stolen from your destiny

On and on, for more and more

Heaven is a place for no-one or everyone

On and on, for more and more

Heaven is a place for no-one or everyone

Remember when we used to say, our ways should
never part

I thought you were the one - but now those days are
gone

Now we're runnin' out of time, who knows the reason
why

And I'll hear you say - the things I say today

You didn't want to change, you're poisoned by a fairy
tale

Stolen from your dreams, stolen from your destiny

On and on, for more and more

Heaven is a place for no-one or everyone

On and on, for more and more

Heaven is a place for no-one or everyone

On and on, for more and more

Heaven is a place for no-one or everyone

On and on, for more and more

Heaven is a place for someone else

Heaven is a place for no-one else

Heaven is another place for you and me

On and on, for more and more

Heaven is a place for no-one or everyone

On and on, for more and more

Heaven is a place for someone else
Heaven is a place for no-one else
Heaven is another place for you and me
