It doesn't matter who you are
You can be a slob or a superstar
It doesn't matter
If you're black or white
As long as you stand up for you're rights
Nobody gives a damn
'cause we are so uptight

Right now
We gotta make a change
Right now
It's time to leave the cage
If we knew
What's right or wrong
It could help us carry on
We gotta make it right now

Can't you see the world is getting wild
Nobody spends adime on a hungry child
When all your hopes
are upside down

You've got to get you're ass up
Off the Ground
Don't wait to hesitate
Before it gets too late

Right now
We gotta make a change
Right now
It's time to leave the cage
Right now
We gotta make a change
Right now
It's time to leave the cage

I

If we knew
What's right or wrong
It could help us carry on
We gotta make it right now

Sharing love can be so strong
If we knew where we belong
I wouldn't have to sing this song
