"Walking Down The Line"

You try to hide from a fight
While you turn out the light
Let's take a ride to your mind
Like last Saturday night

I won't tell you no lies
You should look in my eyes
Let's take a ride to our minds
Like every Saturday night

Walkin' down the line
Searching for somethin'
Waitin' for a sign
Paradise callin'
Don't ask me to stay, let's go away
I will take you on a ride

I don't want you to cry
Can't you see how I try
Let's take a ride to your mind
Like last Saturday night

Walkin' down the line
Searching for somethin'
Waitin' for a sign
Paradise callin'
Don't ask me to stay, let's go away

I will take you on a ride, I will take you on a ride

Walkin' down the line
Searching for somethin'
Waitin' for a sign
Paradise callin'
Don't ask me to stay, let's go away
I will take you on a ride

You gotta stop the games you play
Before I give my heart away
'cause only you can make me stay

Walkin' down the line

....

Waitin' for a sign

....

Don't ask me to stay, let's go away

I will take you on a ride, I will take you on a ride

Walkin' down the line

Searching for somethin'

Waitin' for a sign

Paradise callin'

Don't ask me to stay, let's go away

I will take you on a ride
