standing in the ruins of another blackmans life
or flying through the valley seperating day and night
i am death cried the vulture, for the people of light
k ron brought his rath from the the sea that sails on
souls
and saw the scavenger departing,taking warm hearts
to the cold
he knew the ghetto was a haven,for the meanest
creature ever know
and the wilderness of heartbreak,and a desert of
dispair
evils clarion of justice shrieks a cry of naked terror

taking babies from their mommas,leaving grief beyond
compare
so if you see the vultures coming,flying circles in your
mind
remember there is no escaping where evil follow close
behind
only promise we've battled for your soul,and mine,and
mine
