What now my love, now that you've left me?
How can I live through another day?
Watching my dreams turn into ashes,
And my hopes into bits of clay.
Once I could see, once I could feel.
Now I am numb; I've become unreal.
I walk the night without a goal,
Stripped of my heart, my soul.
What now my love, now that it's over?
I feel the world falling in on me.
Here come the stars, tumbling around me.
There's the sky where the sea should be.
What now my love, now that you're gone?
I'd be a fool to go on and on.
No-one would care, no-one would cry,
If I should live or die.
What now my love, now there is nothing,
Only my last good-bye.
