

Brave Saint Saturn "Albatross"

Visit "[Albatross](#)" on MotoLyrics.com

Around my neck there is an albatross.
Some people think it looks, looks like a cross,
But it's not, it's - well it's an albatross.
There to remind me of who I'll never be, never be,
never be.

Hung around my neck with pride,
This piece of wood where Jesus died.
I know I'll never be like You,
But, God, I want to try.

Around my neck there is an albatross.
Some people think it looks, looks like a cross,
But it's not, it's - well, it's an albatross.
There to remind me of who I'll never be, never be,
never be.
