"Move along, move along, move along"
Said the man with the uniform on
"Get away, get away, get away"
Said the goldfish to the whale

"Oh, what have I done now?"
And the goldfish replied, "You fool
You're too big for me
And I'm too yellow for you"

"Hurry up, hurry up, hurry up"
Said the greyhound to her pup
"What a life, what a life, what a life"
Said the husband to his wife

"Oh, where did we go wrong?"
And the husband to put it crude
Said, "You're no fun anymore
And I'm fed up with"

"You and me and baby makes
Three, four, five, six, seven
Eight, nine, ten and eleven
Twelve, thirteen, fourteen, fifteen times
Forty-four is six hundred and sixty"

"And again, and again, and again"
Said the masochist to his friend
"What a cheek, what a cheek, what a cheek"
Said the hen to the Portuguese

"Oh, what have we done wrong?"
And the hen replied, "You fools
You're too many for me
And I'm too chicken for"

"You and me and baby makes
Three, four, five, six, seven
Eight, nine, ten and eleven
Twelve, thirteen, fourteen, fifteen times
Forty-four is six hundred and sixty"
