I see you through the smoky air
Can
You
What I

I
Touch me once and you
I never wanted anyone like this
It
You
I

Trying hard to control my heart
I walk over to where you are
Eye to eye we meet, no word at all

Slowly now we begin to move
Every breath I
Send me to a standing still in time
If you read my mind, you

I
Touch me once and you
I never wanted anyone like this
It
You

Because I
Touch me once and you
I never wanted anyone like this
It
I

And you know it
And it
And you know it
I
