Sometimes I think I don't know what I'm doing, But I
always end up doing what I know, Sometimes I think I
don't know what I'm doing, But I always end up doing
what I know, And It's amazing when you think of it, How
many people smoke, Despite the risks that are
involved, There's really very little hope, - Without them
we just couldn't cope, Couldn't cope, neither could we
Sometimes I think I don't know what I'm doing, But I
always end up doing what I know, Doing what I know,
doing what I know Sometimes I think I don't know what
I'm doing, But I always end up doing what I know,
Sometimes I think I don't know what I'm doing, But I
always end up doing what I know, Have you ever
wondered, What would happen in a third world war, No
sooner would it have begun, Than it would be all over,
Just look over your shoulder, your shoulder, It's above
your knees Sometimes I think I don't know what I'm
doing, But I always end up doing what I know, And what
I know, may not I know be a great deal, But what I know
nobody can take
, Nobody can take, nobody can take away from me, No,
no, no, away from me, no, no, no I do what I know,
doing what I know Sometimes I think I don't know what
I'm doing, But I always end up doing what I know, Away
we go doing what I know,
