I really love you baby  
When I need a laugh  
I check out passport photos  
They're what give me that  
Look at yours and your friends  
See if you agree  
Passport photos always  
Do the biz for me

Show me one that you've got  
You'd like to see enlarged  
Show me one that doesn't  
Look like your being charged

Smile of course you mustn't  
That's the only rule  
Irony of course is  
You just look a fool  
Sideburns down to your chin  
Hair all long and straight  
No doubt when you took it  
You thought you looked great

Ain't nobody living  
That's ever had one that  
Ever did them justice  
That just isn't a gaffe

For the life of me I don't  
Understand why in Spain  
When it rains at an airport

Mainly wet is the plane

I really love you baby  
When I need a laugh  
I check out passport photos  
They're what give me that  
Go through immigration  
Waiting next in line  
A man there can't believe it  
When he looks at mine

Show me one that you've got  
You'd like to see enlarged  
Show me one that doesn't  
Look like your being charged

Here's looking at you kid  
Looking like you're from the twilight zone

I really love your body  
When I need a laugh  
I check out passport photos  
They're what give me that  
They're what give me that
