Say goodbye say good morning  
Say good evening and good noon  
Say hello tell me how you're feeling  
Very well thanks and how are you

Say you did say you didn't  
Say it's someone else instead  
Say it's me would I be forgiven  
Or is it something that I said  
In spite of fears over what charges are proposed  
In spite of tears over what secrets are disclosed  
In spite of ears I have never heard you once complain

Sayonara konbanwa  
Ohayo-gozaimasu kon-nichiwa  
Kon-nichiwa gokigen-ikaga-desuka  
Genki-desu arigato anatawa-ikaga-desuka

In spite of fears over inflation going up  
In spite of tears over the breaking of a cup  
In spite of years seems like it was only days ago

Say it is say it isn't  
Say it's someone else instead

Say it's good when you don't like fishing  
You just knock it on the head  
You just knock it on the head

Say goodbye say good morning  
Say good evening and good noon  
Say hello tell me how you're feeling  
Very well thanks and how are you

In spite of fears over a lack of crowd control  
In spite tears over a bag that someone stole  
In spite of years I have never seen you look so well

Sayonara konbanwa  
Ohayo-gozaimasu kon-nichiwa  
Kon-nichiwa gokigen-ikaga-desuka  
Genki-desu arigato anatawa-ikaga-desuka
