Ever seen a river
That was going away
Other than up or down stream
Ever seen a fella
Who was anxious to say
Something other than obscene
Like I'll love you more than you will ever know
If you'd be so kind as
To take your foot off my toe

Talk about tomorrow
And you think of today
As something right out of the past
Talk about togetherness
And what do you say
Gee but it's great while it lasts
And I'll love you more than you will ever know
If you'd be so kind as
To take your foot off my toe

What would you do if I told you
That money was no object only evil
In funny clothes

Getting back to what it is
You'd like me to say
Don't think I will if I am
Getting back to what it is
You'd like me to play
Don't think I will but I can
And I'll love you
More than you will ever know
If you'd be so kind as
To take your foot off my toe

What would you do if I told you
Next to Hari Krishna Harry is now
A pot of gold

Ever seen a river
That was going away

Other than up or down stream
Ever seen a fella
Who was anxious to say
Something other than obscene
Like I'll love you more than you will ever know
If you'd be so kind as
To take your foot off my
To be so kind as
To take your foot off my
To be so kind as
To take your foot off my toe
