It's too bad you couldn't come  
It's too bad you decided to stay away  
(Too bad baby)  
It's too bad you couldn't come  
It's too bad I really thought you were okay  
(Too bad baby)

You admit you were wrong  
That you knew all along  
Yet you still had the nerve  
To go leading me on  
It's too bad baby  
But not especially for me

It's no good us going on  
It's no good you trying to soft-soap me  
(No good baby)  
It's no good I'm telling you  
It's no good all we ever do is disagree  
(No good baby)

What am I supposed to do  
How can I forgive you  
If you won't even bother  
To tell me the truth  
It's no good baby  
But not especially for good ol' me

I wanna say I've enjoyed  
All the nights we've employed  
And the pleasure it's given me  
But I cannot except with the greatest respect  
Anybody to termine me  
Do I make myself perfectly clear

It's too bad you couldn't come  
It's too bad you decided to stay away  
(Too bad baby)  
It's too bad you couldn't come  
It's too bad I really thought you were okay  
(Too bad baby)

Said you'd be there at nine  
Well I got there on time  
But you didn't show up  
Because you changed your mind  
It's too bad baby  
But not especially for me

Too bad for you and not for me  
(Too bad baby)  
And not for me  
(Too bad baby)  
Too bad for you and not for me baby  
Too bad baby  
Too bad baby
